sport. South Australian Little Athletics Association will take measures to protect the safety and welfare of children participating in our sport by¹:

Identify and Analyse Risk of Harm

South Australian Little Athletics Association will develop and implement a risk management strategy, which includes a review of existing child protection practices, to determine how child-safe and child-friendly the organisation is and to determine what additional strategies are required to minimise and prevent risk of harm to children because of the action of an employee, volunteer or another child.

Develop a clear and accessible Child Safe Policy

South Australian Little Athletics Association has a member protection Policy that outlines its commitment to promoting children's well being and safeguarding them from harm. This policy will be readily available to all members and those to whom it applies.

Develop Codes of Conduct for Adults and Children

South Australian Little Athletics Association will ensure that the organisation has codes of conduct that specify standards of conduct and care when dealing and interacting with children, particularly those in the organisation's care. Choose Suitable Employees and Volunteers

South Australian Little Athletics Association will ensure that the organisation takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children (in prescribed positions).

This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

South Australian Little Athletics Association will ensure that relevant history assessments are conducted for employees and volunteers working with children, where an assessment is required by law.²

If a criminal history report is obtained as part of their screening process, the South Australian Little Athletics Association will ensure that the criminal history information is dealt with in accordance with the Standards developed by the Chief Executive, Department for Education and Child Development (DECD).³

South Australian Little Athletics Association will make all volunteers and employees aware of their responsibilities under the *Children's Protection Act 1993* to make a report to the Child Abuse Report Line (CARL) 13 14 78 if they have suspicion on reasonable grounds that a child has been or is being abused or neglected. Please refer to our complaints procedure outlined in attachment of this policy. This will explain what to do about the behaviour and how South Australian Little Athletics Association will deal with the problem.

Handling an allegation of child abuse

A useful guideline for managing allegations of misconduct towards children is available at http://ors.sa.gov.au/_data/assets/pdf_file/0006/153564/child_abuse_allegations_guidelines_050115.pdf

Process for dealing with members charged with, or under investigation for, a criminal offence

This process sets out the procedure that South Australian Little Athletics Association] will follow in the event that it becomes aware that a member has been charged with, or is being investigated for, a relevant criminal offence.

Guiding Principle

The paramount consideration is the rights, interests and wellbeing of children and their protection from harm. The organisation must remember the mandatory reporting obligations for the organisation and/or individuals who form a suspicion that a child is or is at risk of being harmed. Child Abuse Report Line 13 14 78

Risk Assessment

In the event that South Australian Little Athletics Association becomes aware that a member has been charged with, or is being investigated for, a relevant criminal offence, the CEO of South Australian Little Athletics Association in consultation with Member Protection Officer will immediately commence a risk assessment of the risk of harm to children and consider taking protective action. That member will be advised that a risk assessment in progress and they will be immediately suspended from any activities with the association or center until that risk assessment has been completed. The member is to be advised of the outcome of that risk assessment in a timely manner

The risk assessment will:

MEMBER PROTECTION POLICY

- Be conducted in accordance with the guidelines and principles set out under *Standard 5 of the Child Safe Environments*: Standards for dealing with information obtained about a person's criminal history as part of a relevant history assessment;
- Recognise that an investigation or charge does not mean that the person is guilty and that the matter needs to be resolved through proper legal avenues;
- Consider all matters on an individual basis and include an assessment of all relevant circumstances;
- Provide the member an opportunity to make submissions on whether he or she had been charged with an offence warranting some action, and what action should be taken;
- Be made in accordance with the principles of natural justice and procedural fairness. Assessment procedures will be transparent, documented and consistently applied;
- Not compromise any police investigations or evidence.

Where the outcome of the risk assessment is that protective action is necessary, the South Australian Little Athletics Association may:

- Control or supervise contact between the member and children
- Prevent contact between the member and children
- Remove the member from duties until the outcome of the investigation or charge is known;
- Take any other action that is necessary and reasonable in the circumstances.

Procedure

- Where the risk assessment determines that protective action is necessary against a member to safeguard and protect children, South Australian Little Athletics Association will give the member the opportunity to voluntarily remove him or herself from activities until the outcome of the charge or investigation is known.
- In the event that the member will not voluntarily remove themselves from activities until the outcome of the charge or investigation is known, the South Australian Little Athletics Association will put forward a resolution to the Board to suspend or temporarily remove the member.
- The outcome of the resolution will be recorded in the minutes and then implemented.
- The outcome recorded in the minutes will not contain unnecessary information relating to the investigation or charge or identify (directly or indirectly) any junior members.

Guide to Protective Practices:

All South Australian Little Athletics Association Inc. staff whether paid, voluntary, permanent, or casual, officers and Centre Personnel are encouraged to adopt protective practices to maximise their protection from an act, or actions which may be misconstrued. The following is only a guide and Centre Personnel should initiate protective measures or a Centre with an enclosed ground may utilize a gate attendant:

- No athlete in the Tiny Tots to Under 10 years be permitted to leave the competition area without a parent/guardian

MEMBER PROTECTION POLICY

- Incorporate a 'buddy' system when athletes require to leave the competition area (e.g. to go to the toilet)
- Enforce the parent/guardian be present at the ground at all times, emphasizing during registration process the Association policy on Child Protection and that at no time is Little Athletics a babysitting service.
- In a situation when a parent/guardian of a child cannot attend the activity and this is an unusual circumstance if that child's parent/guardian arranges for their child to attend in the company of another trusted person (so another child's parent/guardian known to them) the child may participate. These occurrences should be infrequent. If a child's parent/guardian were to miss attendance for more than three consecutive weeks then the ongoing participation of that child would cease.
- One on one Coaching activities should be avoided, unless a Parent/Guardian or other athletes/officials are in the near vicinity
- Video viewing in one on one situation is totally banned
- When conducting camps with both boys and girls participating, it is important that adults of both genders accompany the group
- Encourage, don't pressure
- Be sensitive to an individual athlete's capacity for physical activity and protect them from any unwarranted pressure to participate
- Discipline and manage behaviour – do not abuse or exhibit insulting or aggressive behaviour
- Don't exaggerate or trivialize child abuse issues
- Do not let children involve you in excessive attention seeking behaviour that is overtly sexual or physical in nature.
- Do not put yourself in the position of being left alone in private with a child

6.2 Taking Images of Children

South Australian Little Athletics Association acknowledges that in South Australia under the Summary Offences Act 1953 a person must not engage in indecent filming. Images of children and adults should not be used inappropriately or illegally.

South Australian Little Athletics Association requires that individuals and associations, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own and ensure that the parent knows the way the image will be used. We also require the privacy of others to be respected and disallow the use of camera phones, videos and cameras inside changing areas, showers and toilets.

If South Australian Little Athletics Association uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. We will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. We will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by pedophiles or other persons. We will only use appropriate images of a child, relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc.

We require our members, Clubs and centers to do likewise.

MEMBER PROTECTION POLICY

6.3 Social Networking

South Australian Little Athletics Association acknowledges the enormous value of social networking to promote our sport and celebrate the achievements and success of the people involved in our sport.

We expect all people bound by this policy to conduct themselves appropriately when using social networking to share information related to our sport.

Our social media policy is attached to this document

The South Australian Little Athletics Association has the right to enforce this Policy at its discretion. A SALAA administrator may remove any posted messages that it considers to be in breach of this policy and will block repeat offenders.

SALAA may record any information posted to one of our social media channels (including, but not limited to, Facebook, Twitter and YouTube) and may use that information for the purpose of administering its social media channels and considering and/or addressing any comments made. No attempt will be made to further identify users of our social media channels except where authorised by law. The South Australian Little Athletics Association is not responsible for the privacy practices or content included on our social media channels or any linked websites.

6.4 Anti-Discrimination and Harassment

South Australian Little Athletics Association opposes all forms of harassment, discrimination and bullying.

This includes treating or proposing to treat someone less favourably because of a particular characteristic; imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or any behaviour that is offensive, abusive, belittling, intimidating or threatening – whether this is face-to-face, indirectly or via communication technologies such as mobile phone and computers. Some forms of harassment, discrimination and bullying, based on personal characteristics such as those listed in the Dictionary at clause 10, are against the law.

If any person feels they are being harassed or discriminated against by another person or organisation bound by this policy, please refer to our complaints procedure outlined in the attachment of this policy. This will explain what to do about the behaviour and how the South Australian Little Athletics Association will deal with the problem.

South Australian Little Athletics Association encourages individuals to report (on a confidential basis) any harassment or discrimination which they observe against another person for consideration by the Association.

6.5 Gender Identity

Everyone bound by this policy must treat people who identify as transgender fairly and with dignity and respect. This includes acting with sensitivity and respect where a person is undergoing gender transition. We will not tolerate any unlawful discrimination or harassment of a person who identifies as transgender or transsexual or who is thought to be transgender. Descriptions of the types of behaviour which could be regarded as transgender discrimination or harassment are provided in the Dictionary at [clause 10].

MEMBER PROTECTION POLICY

South Australian Little Athletics Association recognises that the exclusion of transgender people from participation in sporting events has significant implications for their health, well-being and involvement in community life. In general South Australian Little Athletics Association will facilitate transgender persons participating in our sport with the gender with which they identify.

South Australian Little Athletics Association also recognises there is debate over whether a male to female transgender person obtains any physical advantage over other female participants. This debate is reflected in the divergent discrimination laws across the country. If issues of performance advantage arise, South Australian Little Athletics Association will seek advice on the application of those laws in the particular circumstances.

South Australian Little Athletics Association is aware that the International Olympic Committee (IOC) has established criteria for selection and participation in the Olympic Games. Where a transgender person intends competing at an elite level, we will encourage them to obtain advice about the IOC's criteria which may differ from the position taken by Little Athletics Australia.

Drug testing procedures and prohibitions also apply to people who identify as transgender. A person receiving treatment involving a Prohibited Substance or Method, as described on the World Anti-Doping Agency's Prohibited List, should apply for a standard Therapeutic Use Exemption.

6.6 Responsible Service and consumption of alcohol

South Australian Little Athletics Association is committed to conducting sporting and social events in a manner that promotes the responsible service and consumption of alcohol. We also recommend that affiliated Clubs and Centres follow strict guidelines regarding the service and consumption of alcohol.

6.7 Smoke-free environment

The South Australian Little Athletics Association understands the harmful effects of smoking on health, fitness and performance in sport and that passive smoking is also hazardous to health. It is acknowledged that non-smokers should be protected from the involuntary inhalation of tobacco smoke.

Smoking shall not be permitted in any competition or spectator area during any SALAA competition at Association and Centre level.

Non-compliance with our policy will be handled by an explanation of the SALAA Smoke Free Policy to the person, including the identification of areas in which smoking is permitted. In the case of continued non-compliance with the policy, SALAA personnel will use their discretion as to the steps to be taken, which may include asking the person to leave the premises, event or function.

7. Complaints Procedures

South Australian Little Athletics Association aims to provide a simple procedure for complaints based on the principles of procedural fairness (natural justice). Any person (a complainant) may report a complaint about a person/s or organisation bound by this policy (respondent).

MEMBER PROTECTION POLICY

If a complaint relates to behaviour or an incident, person or operation at a Little Athletics Centre or Club, then the complaint should be reported to and handled by the relevant Centre or Club in the first instance. If the complaint is unable to be satisfactorily resolved at Centre/Club level, the matter may be referred to the Association to be dealt with.

Only in the most serious cases should the matter be referred to the national body, unless the matter has arisen at or relates to the national level.

A complaint may be dealt with informally or formally. The complainant usually decides this unless the CEO of South Australian Little Athletics Association considers that the complaint falls outside this policy and would be better dealt with another way and/or the law requires the complaint/allegation to be reported to an appropriate authority.

All complaints will be dealt with promptly, seriously, sensitively and confidentially. Our complaint procedures are outlined in an attachment to this Policy.

Individuals and organisations may also pursue their complaint externally under anti-discrimination, child protection, criminal or other relevant legislation.

South Australian Little Athletics Association will take all necessary steps to make sure that people involved in a complaint are not victimised. Disciplinary measures can be imposed on anyone who harasses or victimises another person for making a complaint.

7.3 Mediation

South Australian Little Athletics Association aims to resolve complaints with a minimum of fuss. Complaints may be resolved by agreement between the people involved with no need for disciplinary action. Mediation allows those involved to be heard and to come up with mutually agreed solutions.

Mediation may occur before or after the investigation of a complaint. If a complainant wishes to resolve the complaint with the help of a mediator, the CEO of South Australian Little Athletics Association will, in consultation with the complainant, arrange for a neutral third party mediator where possible. Examples of Discrimination

- **Disability:** A junior player is overlooked because of mild epilepsy.
- **Family responsibilities:** A Club decides not to promote an employee because he has a child with a disability even though the employee is the best person for the job.

Harassment is any type of behaviour that the other person does not want and that is offensive, abusive, belittling or threatening. The behaviour is unwelcome and a reasonable person would recognise it as being unwelcome and likely to cause the recipient to feel offended, humiliated or intimidated.

Unlawful harassment is sexual or targets a person because of their race, sex, pregnancy, marital status, sexual orientation or some other characteristic (see characteristic list under discrimination).

It does not matter whether the harassment was intended: the focus is on the impact of the behaviour. The basic rule is if someone else finds it harassing then it could be harassment. Harassment may be a single incident but is usually repeated. It may be explicit or implicit, verbal or non-verbal.

Discrimination and harassment are not permitted in employment (including volunteer and unpaid employment); when providing sporting goods and services including access to sporting facilities; when providing education and accommodation; the selection or otherwise of any person for competition or a team (domestic or international); the entry or otherwise of any player or other person to any competition and the obtaining or retaining membership of Clubs and organisations (including the rights and privileges of membership).

Some exceptions to state and federal anti-discrimination law apply. Examples include:

- holding a competitive sporting activity for females only who are under 12 years of age or of any age where strength, stamina or physique is relevant or
- not selecting a participant if the person's disability means he or she is not reasonably capable of performing the actions reasonably required for that particular sporting activity.

Requesting, assisting, instructing, inducing or encouraging another person to engage in discrimination or harassment may also be against the law.

It is also a breach of discrimination law to victimise a person who is involved in making a complaint of discrimination or harassment. Example: a player is ostracised by her male coach for

complaining about his sexist behaviour or for supporting another player who has made such a complaint.

Public acts of racism or racial discrimination which are reasonably likely to offend, insult, humiliate or intimidate are also prohibited. Some states and territories also prohibit public acts that vilify on other grounds such as homosexuality, gender identity, HIV/AIDS, religion and disability – see vilification.
