

NORTHERN DISTRICTS ATHLETICS CLUB CLUB RECORDS POLICY

“SENIOR” CLUB RECORDS

Claiming club record criteria

- Athlete must be registered with the club at the time of the achievement
- Must be under the age limit on the day of the event. *(Note: the AA and ASA rules state that the athlete must be in the age group according to age at the 31st December on the day of the competition. SAAC record conditions differ).*
- Must be at an AA or ASA sanctioned event – the event at which the record attempt is made must be approved by the Australian or South Australian associations.
- Must be at a surveyed ground – *(The ground must have been surveyed to ensure there is no unfair advantage for the record attempt).*
- ASA or AA accredited officials must be in attendance at the record attempt and must sign the results sheet
- Club records are recorded and updated by the club statistician and shall be recorded on the website
- In events where a relay record is set, all athletes must be from NDAC
- In events up to 200m and in horizontal jumps the wind assistance is permitted only up to 2.0m/s
- In decathlon or heptathlon, average wind assistance of less than 2.0 m/s is required across all applicable disciplines; and maximum of 4.0 m/s in any one event
- In running events up to 800m in distance, photo finish fully automatic timing is required.

State Records

- Rules as per Athletics SA and Athletics Australia.
- Where an athlete breaks a state record the athlete’s age will be taken as at the 31st of December in the year of competition.

“JUNIOR” CLUB RECORDS

- Track events – print out of timing gate box or multiwatch must be attached and recording sheet signed by an official
- Field events – official must sight length, measure and sign recording sheet
- At the end of the season, the “Centre Records” board will be updated with any new centre records
- Athletes must be competing in own age group, and using correct equipment, i.e. weight of implement, etc.
